Hey Parents... Back to School Means Back to Saving!

And we want your child to get an A+ with our Scratch Savings Account.¹ It's the **puur-feet** account for your young saver, and we'll deposit \$2¹ to get their savings started!

Did you know that your school has In-school Banking Days - where your child gets rewarded for making a deposit to their account?!

What is a Scratch Kids Club Savings Account:¹

- ✓ Helps establish strong saving habits from an early age
- ✓ \$2.00¹ deposit into account for enrolling in eStatements
- ✓ Parents may view the account within online or mobile banking
- ✓ No monthly service fee
- ✓ 0.02% APY² on balances of \$5 or more (\$5 must be maintained in account each day to obtain APY) interest compounded daily, paid monthly

It starts by opening an account...

It's easy, just bring your child to any of our convenient locations in Berlin, Bolton, Boylston, Clinton, Sterling, or West Boylston (Shrewsbury branch opening in 2023) to open your Scratch Kids Club Savings Account.¹

Please be sure to have your child's social security number handy!

In-School Banking Days are coming!

Watch your email/mail for dates for your child's in-school banking days. Your child can bring in a deposit to the school and a relationship banker from Clinton Savings Bank will be on site at the school to collect the deposit and then a receipt will be mailed to you. Plus, your child will get a cool prize!
