beverage!**

SUMMER READING SIGN UP BEGINS TODAY!!!!

So what does that mean? You may sign up on Beanstack at <https://beamanlibrary.org>; then start reading *Beaman Library books!* These will count toward logging in for prizes beginning June 20 when the summer program: Find Your Voice! begins. The more you read, the better your chances. We have a fun summer filled with programming to keep you from being bored all for free!!!

You may sign up for summer programming online as well. Look ahead to events that are being offered and sign up. You will receive a reminder email when the event nears!

Roger Williams' Zoo Family Birding program is next Tuesday, June 6 at 6 p.m.

Earth Agent volunteers will tell you why our songbird population is dwindling and how *WE* can help to save them! You will see a brief presentation, make a bird feeder to take home, and receive a packet of native seeds that you can plant to feed the birds. A representative from Roger Williams' Zoo will be here to answer questions and let you know how you can become an Earth Agent volunteer if interested. Please register at <https://beamanlibrary.org> under events to reserve your spot!

We will see you at the Major Edwards' End-of-School event on June 13. Come and visit us to make your very own free personalized badge to express ideas that are unique to you!
